**USBC RULES ARE IN EFFECT FOR THIS TOURNAMENT
2021 TOURNAMENT RULES**

1. To enter this tournament you must be a member of the USBC, and present your card, or must pay \$21.00 for an associate membership card, or a \$5.00 tournament participation fee.
2. Contestants must use their highest USBC certified average of at least 42 games from the 2019-20 season. **Youth averages from any season will not qualify for handicapping purposes.** If any youth averages from any season are higher than the adult average being submitted for handicapping purposes, they must be reported prior to bowling. Failure to report said youth averages may result in disqualification and forfeiture of entry and prize monies. Those without a 2019-20 average will use highest USBC certified average of at least 42 games as of time of bowling; if the entrant has no 2020-21 average, no 2019-20 average, and no USBC composite average (42 games), the contestant may present their highest USBC certified 2018-19, 2017-18 or 2016-2017 averages for our committee's consideration. In 2021, an entrant's highest average of 1) 2019-20 (42 games), 2) 2020-21 (42 games), and 3) his/her USBC composite average for either 2019-20 or 2020-21, will be used. All others will bowl scratch at 225. Sport league averages will not be allowed. **Averages from Sport or Challenge Leagues will be adjusted according to the USBC conversion chart.** Bowlers must report, prior to bowling, any averages which are established in a sport league, a challenge league, PBA Experience League, or a tough condition league not designated a sport league. Failure to report said averages may result in disqualification and forfeiture of entry and prize monies. Any averages which are established in an uncertified league must be identified as such and reported prior to bowling. Failure to report uncertified averages may result in disqualification and forfeiture of entry and prize monies. Yearbook averages, published or submitted for publication will be used as official, whether past years or current "Time of Bowling" average. It shall be each bowler's responsibility to verify the accuracy of his/her average, whether originally submitted by the bowler, or others. Failure to use the proper average or make a correction, may disqualify score if submitted average is lower than actual average; we base prize winnings on submitted average if it is higher. **Individual bowler submitting incorrect average must request a correction in writing postmarked within 7 days of time of bowling, to receive a lower corrected average. No average will be adjusted downward after 7 days.**
3. If as of time of bowling entrant has a current season average for 21 or more games which is 10 or more pins above previous season's average, bowler's current average must be used. USBC current yearbook will apply.
4. **International Entrants must bowl scratch of 225 to enter this tournament unless they have a certified USBC average to submit for handicapping purposes.**
5. The winner of the 2019 The Forty Frame Game® Singles Event must use 225 as his/her entering average for the 2021 tournament.
6. Bowlers who have qualified for a prize of \$500.00 or more in any event in a tournament within the previous 24 month period, even though payment of prize has not been made, must report - Actual Score-Position and Amount for possible re-rating (use space below). Any bowler who fails to report a prize of \$500.00 or more (previous 24 months) may forfeit tournament entry fees and prize winnings. Indicate on entry or attached paper all tournaments in which you have won an amount in "one prize" of \$500.00 or more at any tournament site (cash or merchandise) within the past 24 months. Entrant failing to report prior to bowling, winnings for past two years or falsifying total amounts won may be disqualified with no prize money paid or entry refunded.
7. **Re-rating Rule:** If entrant individually averaged less than 225 and has qualified for \$500.00 or more in one prize or equal in merchandise, (even though payment of prize has not been made,) 3 times in the past 24 months in any bowling tournament, YOU MUST BOWL SCRATCH. Entrant failing to report prior to bowling, winnings for past two years or falsifying total amounts won may be disqualified with no prize money paid or entry refunded. Indicate on entry or attached paper all tournaments in which you have won an amount in "one prize" of \$500.00 or more at any tournament site (cash or merchandise) within the past 24 months.
8. Scratch for the tournament is 225.
9. Handicaps will be calculated on an 80% basis.
10. There will be a special prize division for bowlers with entering averages of 175 or less.
11. **LADIES DOUBLES DIVISION - This event is the FFG Ladies Doubles and is available only to ladies who have entered The Forty Frame Game. A team consists of 2 players who must bowl on the same date and squad. The entry fee is \$10 for each lady. Members of the top 5 finishing teams are required to submit affidavit and 319-E forms within 15 days of the date the score was bowled.**
12. To qualify for prizes in the special senior division "Gray Pay", the bowler must be at least 55 years of age as of the date of bowling. 13. Bowlers must report to tournament headquarters 30 minutes before scheduled squad time.
14. "PRIZE FEES WILL BE RETURNED 100% IN PRIZES." IN CASE OF TIES, MONEY WON WILL BE SPLIT.
15. **PRIZES WILL be paid within 60 days of the end of the tournament, July 17, 2021, unless the prizes are held up by the USBC due to protest, appeals, or disqualifications.**
16. **Collegiate entrants, or entrants who have competed as a collegiate bowler within the past two years of their date of entry, must enter the tournament using 225 as his/her entering average for the 2021 tournament. Bowlers subject to this rule in addition must still meet the prize winnings requirements of Rule 6 and Rule 7.**
17. **Members of the PBA, PWBA, current and past, as well as any other bowler the tournament committee determines to be "professional", will not be permitted to enter this tournament unless allowed by the Tournament Manager. Total prize winnings of \$5,000 or more, in all PBA or PWBA events entered within 12 months of bowling makes entrant ineligible**
18. The Tournament Manager reserves the right to reject or re-rate any entry prior to bowling. If re-rated average is not accepted by the bowler, the entry fee, if paid prior, shall be refunded. **If you have ever been re-rated in any tournament, or in any league, or in any special league event, you must report the fact to the tournament committee prior to bowling.** Failure to do so may result in a re-rating or a disqualification and forfeiture of prizes and entry fees.
19. USBC Re-rating Rule 319-e, of the General Playing Rules will apply to both men and women. Bowlers required to submit Rule 319-e reporting forms or affidavits will be given 15 days after bowling scores requiring such submission, to file the report with the tournament office. Average changes (increases only) will be made and handicap scores will be adjusted based on reports filed in the 15 day time period. Any bowler found to be subject to Rule 319-e who has not declared that fact prior to bowling or within the 15 day period following participation will be disqualified from all handicap prizes. NOTICE - A bowler who re-enters the tournament and is required to submit Rule 319-e because of Rule 23 below, (i.e., a bowler scoring 1200+ with handicap), must submit his/her Rule 319-e forms (a.) before re-entering tournament, or (b.) within 72 hours of the time of bowling in which bowler scored 1200+ with handicap, which ever is later. 26. Bowlers will certify their scores as being correct at the completion of the game. This will be the only time to correct any scoring errors.
27. In the 40th Frame if you do not Bingo (1st Ball Strike), you do not get a chance to Bango. If you don't Bango, you do not get a chance to Bongo.
28.
