Three Great Squad Leaders & No Decision on the National Championship Finals Event Yet

Our National Championship Finals Event has always been funded by our Toledo and USA tournaments. Both locations operated in 2021 at a lower entry level than we anticipated at the start. The USA tournament is now completed and the financial results are being processed over the next week. Both tournaments experienced lower than expected revenues. Any decision we make will include either a Championship Event once again or as an alternative, a cash benefit for each of our ten winners. We will post our decision on our website by August 24, 2021. Thank you for your understanding and support.

On a brighter note, we had a great Squad Leader response in Toledo this year to bring us nearly all the way back. Not one, but three each brought 200 or more players, and this had not been done by any Squad Leader before. Frank Camilleri led with 247 (1st place for 3rd year in a row), Francesca Bradford brought 219 (our first female in this top echelon) and Dan Lauer brought 207 players, our perennial Squad Leader nearing 1,000 in Toledo! Thanks to all three and to all of our other Squad Leaders who account for 98% of the Toledo bowlers!

Jim Walter, President
